Emergency Situation: 100,000 Feared Dead in Haiti Earthquake

Dear Friends,

Act for Peace is responding to the catastrophic earthquake that has crippled Haiti, the poorest country in the Western Hemisphere. Over three million people have been affected and up to 100,000 people are feared dead. There is scant access to electricity and no reliable water sources. Roads are destroyed, medical supplies are dwindling and more than one million people are without shelter.

Act for Peace's church partners in Haiti are providing clean water and sanitation materials, food packages, hygiene kits, temporary shelters and psychosocial treatment for the victims of this tragedy. At the time of writing this, sadly, three of our partners' staff still remain unaccounted for.

Please consider taking a special collection this coming Sunday in your church to assist the long suffering people of Haiti.

We have included a tax deductible gift form overleaf that can be photocopied and distributed at the service, as well as a form at the bottom and a reply-paid envelope for your church's collection.

Thank you for your generous support. Please share this appeal information with your congregation as we continue to pray for the people caught up in this dire situation.

Yours sincerely,

Alistair Gee, Executive Director
